

## **DAY FOUR (22ND OF JULY, 2017)**

**TOPIC: YOU DON'T GET IT RIGHT (O O GBAA)**

**TEXT: GENESIS 4: 1, 2.**

Last week, we concluded with how human beings were sent away from live to death, from comfort to affliction, from joy to sadness, from simplicity to complexity. When Adam and Eve were sent away from the garden, I thought they will begin to beg God for restoration. But there was no record of such. Then I was meditating in my heart that with the level of cordiality and friendship between God and Adam, nobody could have contemplated that Adam and especially Eve can just go away from the Lord like that even without saying a single word of sorry. As I was meditating on this, the spirit of God suddenly gave me this revelation. Which He had asked me to share with everyone that has ears to hear tonight. Dont forget that it was Satan that lured them into disobeying God. And immediately he discovered that he had succeeded in deceiving men to yield to temptation of going against his creator. He knew what will be the consequences of what he had lured them to do. Satan did not leave the garden, he was there waiting for God to see either God will keep to what he had said that they will die. So Satan was waiting may be he will have another avenue to attack God, if God had failed to pass the judgement as He did that day, that could have been an avenue for Satan to challenge God. He would have called God a liar for saying they will die if they eat the fruit. But because God knows this, immediately he discovered what Adam and his wife have done, He declared his judgement of death by sending them away from the garden so that they will not go and eat the fruit of tree of life and live forever.

After God had passed his judgement on them, there was a scene that happened which no one can see except by the revelation of God. Satan went straight to Adam and Eve and told them, can you see now that I told you that he will not kill you. He asked them, did you die now? Did Satan get it right? And because they do not die instantly, they also embrace Satan and follow him. Forgetting that death sentence had been passed on them.

The following day Satan just told Adam go and have sex with your wife and he did. That was how the accursed people impregnated themselves. And what did they gave birth to? A killer. But Adam made a mistake, after he had impregnated Eve his wife, he said he had received that through the help of God. **(Gen. 4: 2)** Did he get it right? Since then, human beings have not been getting it right and what ever they do, they attach it to God. So this actions make salvation to be in the more dire need for all men.

The generation of human beings happen to be a generation that needs redemption and salvation from the curses and afflictions which disobedience placed on them but they ignorantly or deliberately ignore this salvation. After Adam gave birth to Cain and Abel and Cain killed Abel. Instead of Adam and Eve to think twice about the tragedy that had befallen them, they never sense that because the affairs of their lives then was in the custody of Satan. Everything they do then were being remoted by Satan. The next thing was for Adam to impregnate his wife again and the bible says he gave birth to another male child and they named the child Seth. The bible says they named him Seth because they said God had given them another child in place of Abel. **(Gen. 4: 25)** Then I was asking myself, which God? God that they have ignored. God they could not obey. God whom they have revolted. God they have abandoned for Satan and they still have gut say God had done this and that for them.

As if this was not enough, the bible says without reconciling with God, Seth also impregnated a woman whom nobody knows the source and the woman gave birth to a son and he named him Enosh and the bible says that was when the people began to call on the name of God while some bible version say they started worshipping God. (Gen. 4: 26) Then my question is which God? The revelation is that, He(Satan)whom was in charge of their lives told them be calling His name but you will not have anything to do with Him. Don't forget that, these people need to go back to God in salvation,redemption and restoration but Satan told them don't worry, once you are calling His name, He will know that you do not forget him. This is the situation till today. People are worshipping the name of

God but have nothing to do with God. Oh generation that ignore the salvation of God. How long will you tarry in ignorance of serving God in the name of religion when you have rejected His provision for your redemption, which is salvation through the holy and sinless blood of Jesus? Stop wasting your time with senseless worship, report unto him for salvation today, and you will have the assurance of salvation and eternal life.
